## Umbria Bella

7-day tour

### Day 1 Sunday

### Transfer to Montefalco

L D

You will be met outside the main entrance of Foligno railway station at 11.00 am and transferred to your accommodation near Montefalco arriving at approximately 12.00 noon. After lunch on the estate we walk up to the medieval town of Montefalco where you will be introduced to the art and history of the town.

A wine tasting in the town's delightful piazza will be followed by dinner at the accommodation.

### Day 2 Monday

### Montefalco markets & Spoleto

B D

Today is market day in Montefalco so there is a walk around the town to experience the atmosphere. Leaving from the markets we travel to Spoleto, a town rich in Roman and medieval history.

We visit the church of San Pietro Fuori Le Mura which boasts one of the most outstanding Romanesque facades in Umbria before crossing the magnificent medieval aqueduct on our way into the city. We explore the ancient Roman centre of the town including the Roman house and visit the Duomo to see Filippo Lippi's final fresco cycle.

### Day 3 Tuesday

### Bevagna & Spello

B L D

Down in the valley and just a short distance from Montefalco, Bevagna is one of Umbria's most popular towns. Originally a Roman town, it has a beautifully evocative piazza encircled by three churches and containing roman ruins. We visit a medieval house and roman mosaics as part of the exploration of this small gem. In the afternoon we travel to the delightful small hilltown of Spello and include a guided visit to the Baglioni Chapel decorated with superb frescoes by the Umbrian Renaissance master Pinturicchio.

### Day 4 Wednesday

### Perugia

B D

We drive to Perugia, Umbria's largest town. In the morning a guided tour including a walkthrough the medieval ghost town under Rocca Paolina, a stroke of genius by the architect who was ordered to destroy the quarter of the city and build a Palace. Instead it became a virtual underground city. Free time for lunch, followed by a visit to an Etruscan well and the extraordinary Etruscan gate from the 2nd century BC.

### Day 5 Thursday

### Gubbio

B D

This morning we drive to Gubbio, an exceptionally well-preserved medieval hilltown nestling in a remote valley in northern Umbria. We visit the museum in the imposing Palazzo dei Consoli to see the extraordinary Eugubean Tablets, the most complete record of religious practices from anywhere in the ancient world. After free time we drive to the monastery of Sant' Ubaldo where the ancient 'Ceri' that form the focus of Gubbio's annual festival are kept.
